Due to downsizing, the primary breadwinner in your household loses their job. Unemployment payments, equal to 60% of the original salary, won't be received for six weeks.

Your car needs major repairs, totaling \$850.

Review your budget to see if it is possible to get your car repaired.

A flood has hit your town and you need to evacuate your home for two weeks. There is no room at the emergency shelter.

Make the necessary changes in your budget to account for hotel and food expenses.

A family friend is getting married and would like you and your family to attend the wedding...in Atlanta.

Review your budget to see if you all can attend the wedding (and buy a gift).

Due to extremely cold temperatures your pipes burst in your kitchen.

Make the necessary adjustments to your budget to cover the costs of a plumber.

Due to your failure to pay your bill, the gas company has disconnected your services. It will require \$162.47 to reconnect your service.

Review your budget to see if you can find the necessary funds to do so.

A recent trip to the dentist reveals that a family member will need extensive dental work totaling at least \$350.00.

Review your budget to see if you can afford this expense.

You receive \$2000 for you tax refund!

Make the necessary adjustments to your budget.

Congratulations!

You won \$5,000 in the lottery!!

Make the necessary adjustments to your budget.

Your car breaks down on the highway. You can't get to work.

Make the necessary changes in your budget for increased expenses for car repairs. If you are an hourly wage earner, also include the loss of the day's pay.

Your CD matures!

You gain \$500!

Make the necessary adjustments to your budget.

Your teenage son gets his girlfriend pregnant. You agree to take care of medical and other expenses.

Include in your budget increased expenses for medical care (such as monthly pre-natal visits) as well as the food, clothing and shelter arrangements necessary.

Your child has a bad reaction to mandatory immunizations and needs to be hospitalized.

Include in your budget increased expenses for medical care (a minimum of 3 days in the hospital, a month of prescriptions).

Your child's school band wins a competition that makes them eligible to go to Europe. Each child has to contribute \$1000 in order to be included on the trip.

Review your budget to see if it is possible for your child to go.

Your child's school can't afford basic supplies like paper, pencils, markers, and crayons. You need to purchase \$30.00 worth of school supplies.

A friend needs to borrow \$150 to keep their electricity from being shut off.

Review your budget to see if you can help your friend.
